

THE CITY OF RIVERSIDE, CALIFORNIA

POPULAR ANNUAL FINANCIAL REPORT

VISION STATEMENT

The City of Riverside is committed to providing high quality municipal services to ensure a safe, inclusive, and livable community.

Dear Reader:

In an effort to provide the Riverside community with transparent financial information, I am pleased to submit the City of Riverside's first ever Popular Annual Financial Report (PAFR) for the fiscal year ending June 30, 2017.

This report provides an overview of the City's financial position, including sources of revenues and expenditures, based on audited results presented in the Comprehensive Annual Financial Report (CAFR). Also included is information on the City's economic outlook and outstanding debt organizational structure.

I hope that you find this publication helpful. We encourage you to access the City's website, www.RiversideCA.gov/Finance, for more detailed information on the City's finances or contact the Finance Department at (951) 826-5660.

Sincerely,
Adam Raymond
Chief Financial Officer/City Treasurer

Generally accepted accounting principles (GAAP) is a combination of authoritative standards and the commonly accepted way of recording and reporting accounting information.

This PAFR is unaudited and is presented on a non-GAAP basis. The differences between the GAAP basis presentation in the CAFR and the non-GAAP presentation in the PAFR are as follows: the use of prescribed accounting methods and financial statement formats; the presentation of segregated funds; and the disclosure of all material financial and non-financial matters in notes to the financial statements. Individuals who desire to review the audited GAAP-based, full disclosure financial statements should refer to the City's CAFR, which is available on the City's website at www.RiversideCA.gov/Finance/CAFR

ABOUT RIVERSIDE

The City of Riverside, incorporated on October 11, 1883, is located in the western portion of Riverside County, about 60 miles east of Los Angeles. The City currently occupies a land area of 81.5 square miles.

The City is located in Inland Southern California, which consists of Riverside and San Bernardino Counties (the "MSA"). The population of Inland Southern California, at approximately 4.2 million, is larger than 24 states. The City leads the Inland Southern California in most measures of economic power, including population, income, employment, bank deposits, assessed valuation, office space and college enrollment. The population of the City is 326,792 which places it as the 12th largest in Southern California.

RIVERSIDE GOVERNMENT

The City of Riverside operates under a Council-Manager form of government. Under this organizational structure, the City Council appoints a City Manager to act as the Chief Operating Officer. The City Council sets policy direction and the City Manager implements those policies. The Mayor is elected at-large, while Council members are elected by voters in each of seven separate wards. The Mayor shall be the presiding officer at all meetings of the City Council and shall have a voice in all its proceedings but shall not vote except to break a City Council tie-vote, which exists for any cause. The Mayor shall be the official head of the City for all ceremonial purposes.

STATEMENT OF NET POSITION

The Statement of Net Position presents information on all the City's assets, liabilities, and deferred in-flows and outflows of resources, with the difference reported as net position. Over time, increases or decreases in the City's net position may serve as a useful indicator of whether the financial position of the City is improving or deteriorating.

By far the largest portion of the City's net position of 96% reflects its investment in capital assets (i.e. land, buildings, machinery, equipment and infrastructure). The City uses these capital assets to provide services to citizens; consequently, these assets are not available for future spending.

CITY'S ASSETS AND LIABILITIES

\$ IN 000'S

Our Assets - What We Have	2016	2017
Current Assets consisting mainly of cash and amounts owed to the City	\$1,010,875	\$977,246
Net Capital Assets consisting primarily of buildings, equipment, and vehicles	3,155,636	3,190,285
Total Assets of the City	\$4,166,511	\$4,167,531
Deferred Outflows of Resources - Positive effect on net position, similar to assets	230,153	281,799
Our Liabilities - What We Owe		
Current Liabilities consisting of all the amounts the City owes, except for debt	239,155	203,455
Non-Current Liabilities consisting of long-term debt owed, including pension obligations	2,189,078	2,246,920
Total Liabilities of the City	\$2,428,233	\$2,450,375
Deferred Inflows of Resources - Negative effect on net position, similar to liabilities	151,771	112,309
Total Net Position of the City	\$1,816,660	\$1,886,646

WHERE THE MONEY COMES FROM

GOVERNMENTAL ACTIVITIES REVENUES

Governmental Activities - Functions principally supported by taxes and intergovernmental revenues

Sales and Use Tax – consumable tax placed on retail sales, leases or rentals of most goods, and any taxable services in the state required. Use tax is used in relation to the sales tax and is applied when merchandise is purchased from outside of state lines for use or consumption.

Property Tax - are a legal enforceable lien on property as of January 1. Taxes are levied on July 1 and are payable in two installments on December 10 and April 10.

Charges for Services – revenues that arise from charges to customers, applicants, or others who purchase, use, or directly benefit from the goods, services, or privileges provided, or are otherwise directly affected by the service.

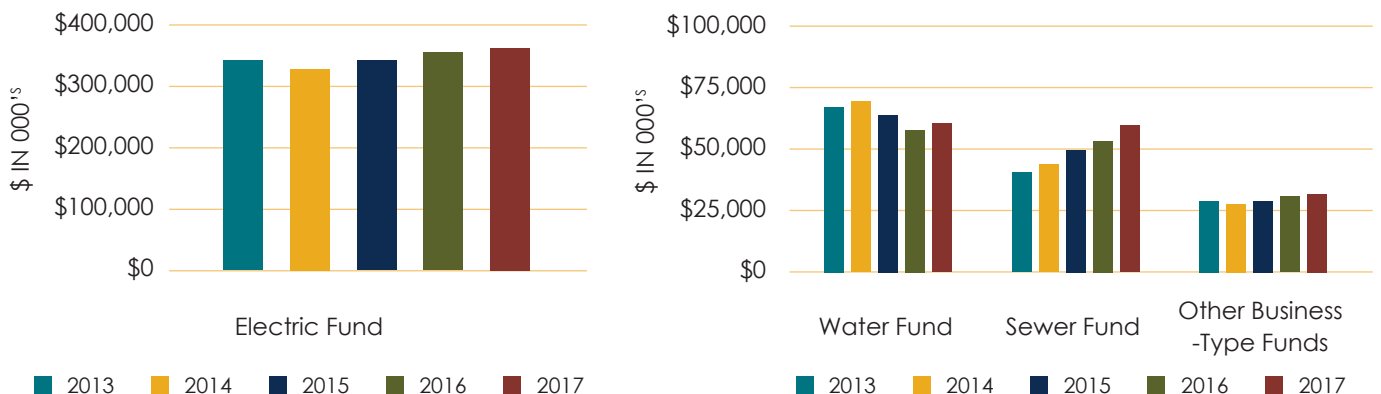

Grants and Contributions (operating and capital) – revenues arising from mandatory and voluntary non-exchange transactions with other governments, organizations, or individuals that are restricted for use in a particular program.

Utility User's Tax – 6.5% usage tax on telephone, electricity, gas, water, and cable. The tax is collected by the utility company as part of its regular billing procedure, and then remitted to the City.

Other – Other consists of transit occupancy tax, franchise fees and investment income.

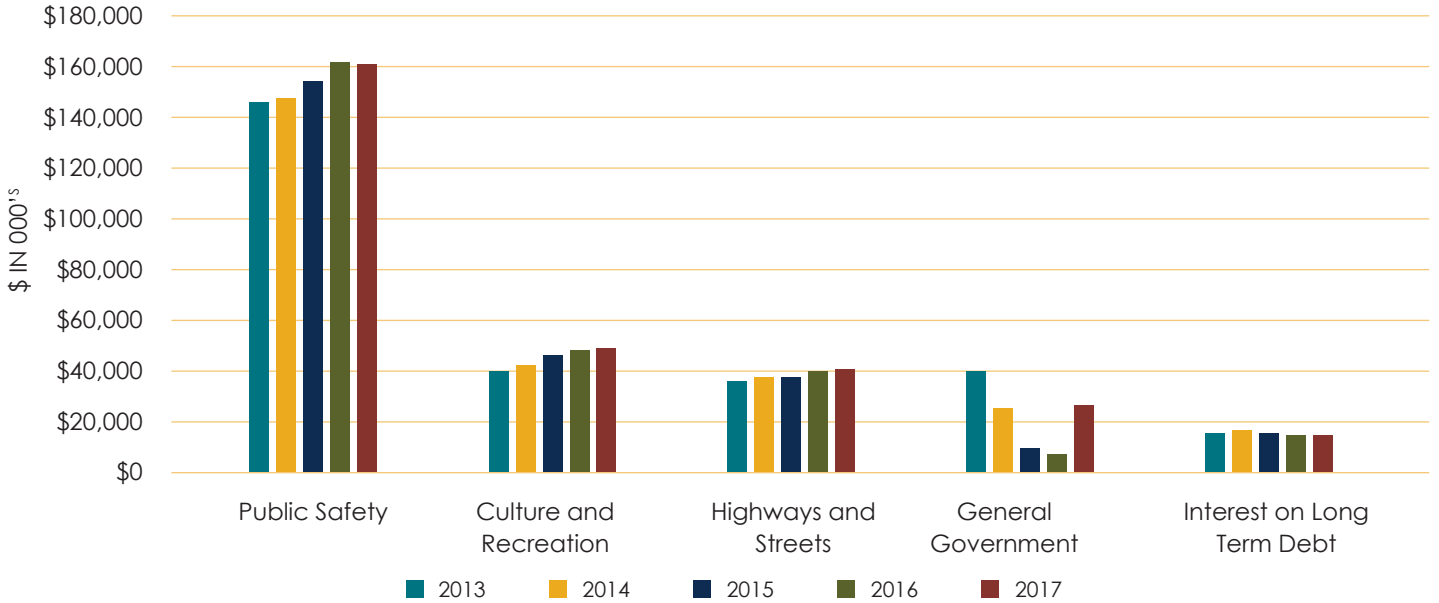

BUSINESS-TYPE ACTIVITIES REVENUES CHARGES FOR SERVICES

Business-Type Activities - Functions intended to recover all (or in large part) costs through user fees and charges

WHERE THE MONEY GOES

GOVERNMENTAL ACTIVITIES EXPENSES

Public Safety expenditures reflect the costs associated with providing police and fire services to residents and visitors.

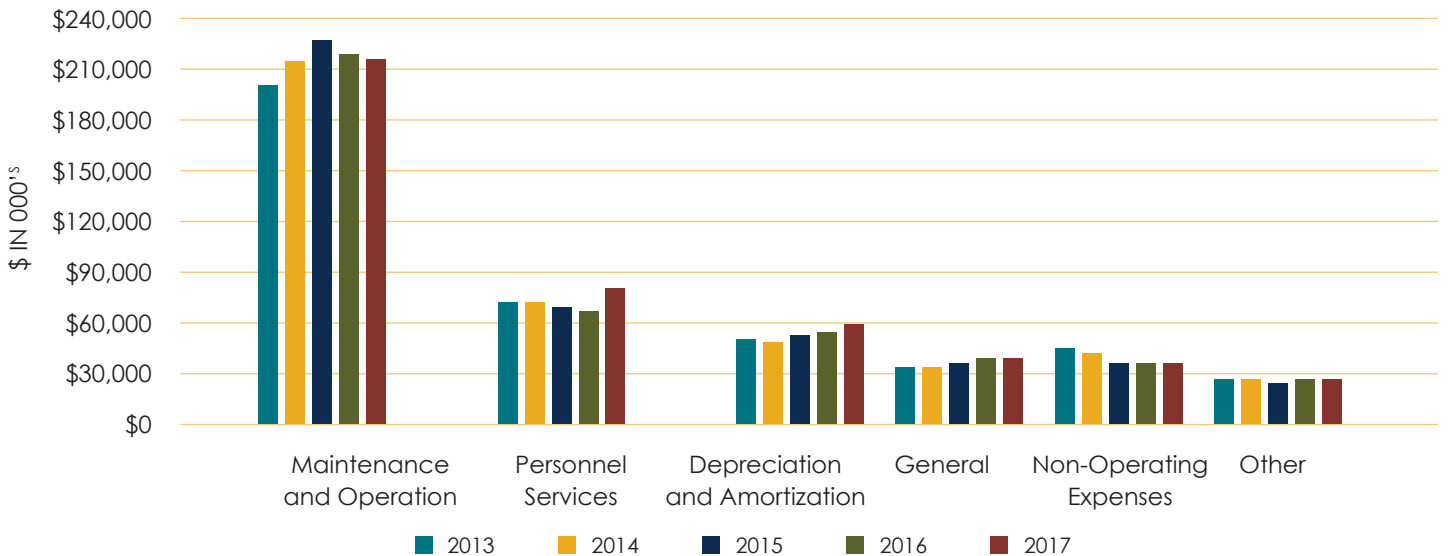

Culture and Recreation expenditures are those incurred by the City to enrich the quality of life in Riverside through recreational and cultural activities, as well as support the educational and informational needs of residents and visitors.

Highways and Streets expenditures are those related to the design, construction, maintenance, and operation of public facilities and infrastructure within the City.

General Government expenditures are those incurred for the administration offices, including the City Council, City Manager, City Attorney, City Clerk, Finance, Human Resources, General Services, and Information Services.

Interest on Long Term Debt is the interest expense associated with debt financing

BUSINESS-TYPE ACTIVITIES EXPENSES

WHAT THE CITY OWNS

INVESTMENT MANAGEMENT AND FUNDS ALLOCATION

The prioritized objectives of the City's investment program are to preserve principal, ensure sufficient liquidity, and generate a market rate of return.

All of the City's investments comply with California Government Code Section 53601 as to the types of investments allowed and the limits of each type. In addition, all investments comply with the City Council's adopted Investment Policy which mitigates the City's risk.

OUTSTANDING LONG-TERM BOND DEBT • \$1,478,820
\$ IN 000'S

WHAT THE CITY OWES

DEBT SERVICE PAYMENTS 5 YEAR FORECAST

Water, Electric, and Sewer Revenue Bonds are issued to acquire, purchase, construct, or improve major capital facilities. The revenue generated by the facility or the activity supporting the facility is pledged as security for the repayment of the debt.

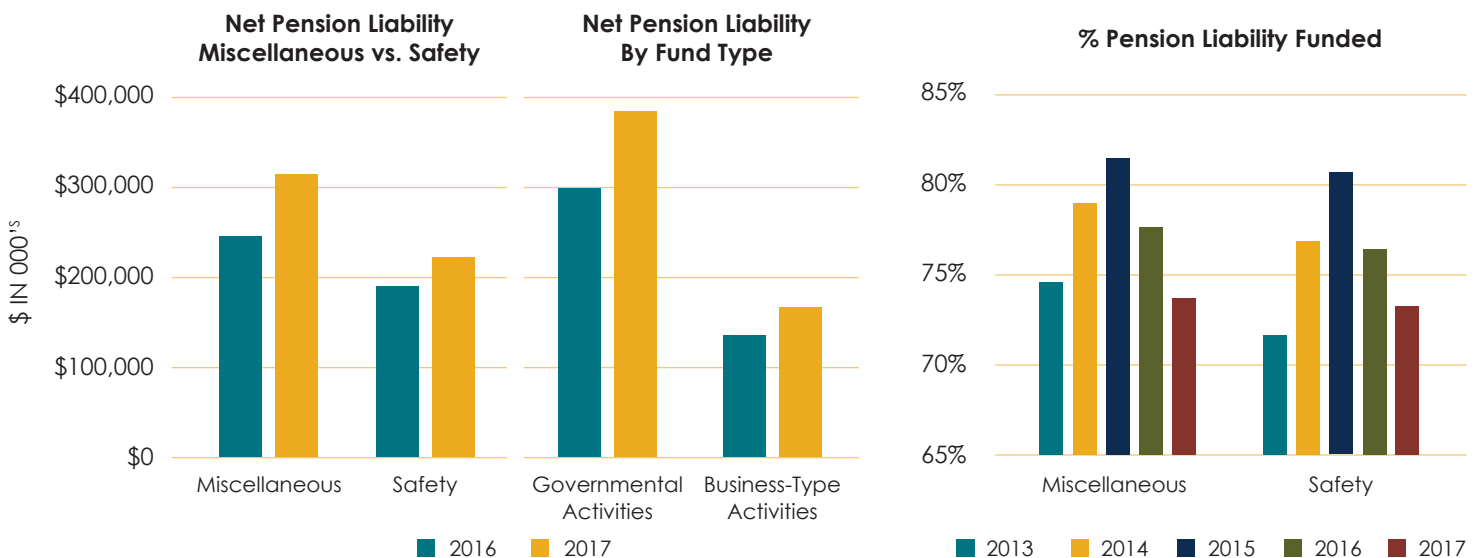

Pension Obligation Bonds are financing instruments typically used to pay some or all of the pension plan's unfunded pension liability.

Certificates of Participation are a widely used type of lease-purchase financing mechanism. Used for public buildings such as the Convention Center and Fox Theater.

Lease Revenue Bonds are used to finance public improvements such as City Hall and Park improvements.

General Obligation Bonds are issued for the construction or acquisition of major capital assets. The security pledged for the bonds is the general taxing power of the government.

GFOA AWARDS

The Government Finance Officers Association of the United States and Canada (GFOA) awarded a Certificate of Achievement for Excellence in Financial Reporting to the City of Riverside for our Comprehensive Annual Financial Report for the fiscal year ended June 30, 2016.

In order to be awarded a Certificate of Achievement, a governmental unit must publish an easily readable and efficiently organized Comprehensive Annual Financial Report, whose contents conform to program standards. Such reports must satisfy both generally accepted accounting principles and applicable legal requirements.

A Certificate of Achievement is valid for a period of one year only. We believe our current report continues to meet the Certificate of Achievement Program requirements, and we are submitting it to GFOA to determine its eligibility for another certificate.
