Public Art Riverside Grants Now Accepting Applications

RIVERSIDE, Calif. – The City of Riverside is inviting artists to apply for the Public Art Riverside (PAR) Grants for the 2024-2026 fiscal years.

The grants are an investment that fosters a population of artists who can integrate with the local economy and contribute to the community.

Applications are available [here](#). For more information, please email specialevents@riversideca.gov

The grants require a project proposal and are designed to help an individual artist and/or artists accomplish projects in Riverside that are accessible to the public. The grants will be especially attractive to artists who have a great idea or vision but lack resources.

These small grants help artists fund their projects and display them throughout the city in public places and at events such as the Arts Walk. Their work contributes to the collective creative aesthetic of our community.
