SWIM LESSONS OFFERED IN RIVERSIDE
City pools to host swimming lessons for all ages this summer!

RIVERSIDE, CA –

The City of Riverside Parks, Recreation and Community Services Department have partnered with the American Red Cross to provide swimming lessons this summer for swimmers as young as 6 months to adults 18 years of age or older. Swimmers are tested on their swim skill level the first day of class and placed in the appropriate class, depending on their age and abilities. All lessons are taught by American Red Cross certified instructors.

Adult Classes are designed to introduce the inexperienced adult to the water and gain confidence while improving their swimming skills. Adults are placed into one of three levels depending on skill level – Beginner, Intermediate, and Advanced. Each level incorporates all skills taught in the previous level.

Each session for youth and adult classes are 30-minutes in length and are offered in 2-week sessions. Classes begin June 18 and end August 9. Cost per session is $48 per session/ $72 Non-Resident. Registration for swimmers is available either by walk-in, mail-in or online at RivReg.org. Registration via mail-in/walk-in must be received at least two weeks prior to the session starting date. Registration is available at the Parks, Recreation and Community Services Department or at any community center. A credit card, check or money order

is made payable to City of Riverside, PRCSD. Cash is not accepted. On-site registration begins Saturday, June 16 and will be accepted during pool hours at each pool site, provided class space is available.

Scholarships are available for a variety of swim programs thanks to Kaiser Permanente, LA84 Foundation and American Red Cross.

About Riverside
As the City of Arts & Innovation, Riverside, California is rich in history and culture, and is setting the pace in innovative practices for government, business and education. With a population of just over 300,000, Riverside is the largest city in the Inland Southern California region, the 12th largest city in California, and the 6th largest in Southern California. Riverside is home to four internationally recognized universities and colleges that support a growing college student population of nearly 50,000. Businesses and residents in Riverside benefit from city-owned electrical and water systems, high-speed fiber optic telecommunications, an easily-accessed freeway system, BNSF and UP rail access, and a large corporate jet and general aviation airport.

With standards of excellence in technology, workforce development, arts, innovation, education and social capital the City has been named America's #2 Hot Spot for Tech (Forbes, 2013); #6 Happiest Place for Young Professionals (Forbes, 2013); #3 'Can Do' Capital (Newsweek, 2011); and the 2012 Intelligent Community of the Year by the Intelligent Community Forum.
